CBP Announcements:

PENDING OLD BUSINESS

1. **New In-bond procedures: Trade Notice update – JUST CAME OUT 2/28**
2. TTB Rates = Any updates on the new TTB (Alcohol and Tobacco Tax and Trade Bureau) Rates?

NEW BUSINESS

1. **ACE Slow** = Can the tradeholders be made aware when Customs is experiencing delays with ACE? Mexican counterparts seem to be aware the system is slow prior to the U.S. tradeholders.
2. **Updated Broker list for after hours** – How does CBP get access? Can it be viewed in ACE portal?
3. **Request for CF7533 for intensive exam** – Given this is an obsolete document, what other documentation can be provided when CBP Officer requests copy of CF7533?
4. **Broker box no longer used** = how is the Trade notified on updates?
5. **Hours of operations for G.O.** = documents are piled high and no one gets the documents.
6. **Firms Code Termination and/or Application Form** = Can we get a copy of the Form that is being requested to terminate/apply for a Firms code?
7. **Increase rates for Aluminum and Steel** = Can CBP provide any guidelines?
8. **TIB exports** = Many members are stopping at the Export Lot for signature as proof of export when not required. What are the expectations of CBP?
