This seminar is designed to assist LLUSCBA members & nonmembers to register for the NCBFAA NEI LogisticsEI seminar **on February 14 from 8:30 AM to 11 p.m.** The NEI LogisticsEI is the premier learning management system of the NCBFAA Educational Institute. It is powered by Elevate by Cadmium, a leading provider of online learning systems. The system provides an enhanced learning experience for professionals wishing to further their education in global logistics. Don't miss out!

U.S. statutes and regulations are a shared responsibility between the public and private sectors. It is important that US Brokers, Importers of Record and Trade Stakeholders understand their role and have practices in place that can prevent or detect potential problems at critical points along the logistics chain. We encourage you to attend this important seminar as Ms. Whittenburg will offer her expert guidance to help tailor these recommendations into procedures to effectively manage controls to help ensure procedures.
